Omaha's Element by Westin hotel at Midtown Crossing made Expedia.com's top 10 list of its best hotels worldwide.

The online travel site ranked Element number seven on the list, which is partly based on customer feedback.

The three-star hotel outranked five-star accommodations in Los Angeles, Calif., and Mumbai, India.

The Expedia website said its Insiders Select list factors in guest reviews, value and its own Expedia hotel expert input.

Element by Westin received a score of 4.8 out of 5. -- Sam Womack
